

LITTLE LONDON KIDS

PHOTO GUIDELINES

HOW OFTEN TO UPDATE

Profile images:	0-3mo: Monthly 3-18mo: Every 3mo 18mo-3yr: Every 6mo 3yr+: Yearly
Height & clothing size:	Check and update monthly
Shoe size:	Check and update monthly

Children change quickly, especially in the first few years. Keeping information current ensures they are submitted for appropriate roles. If photos are missing or poor quality, your child will not be submitted for work. Parents are responsible for keeping profiles accurate and up to date in line with our Terms & Conditions.

DO ✓

- Plain indoor background only — no clutter, windows, furniture, door handles or light sockets
- Child appropriately dressed; hair down, dry and tidy, with no hair accessories
- Child looking directly at the camera
- Upload 2 headshots, 1 three-quarter and 1 full-length image (headshot first)
- Remove outdated images before uploading new ones

DON'T ✗

- Other people, outdoor or garden backgrounds
- Re-upload images removed by the agency
- Mix professional images with home snapshots
- Poor quality, incorrectly rotated or black & white images
- Heavily filtered, unclean or stained clothing
- Hats, sunglasses, dummy's or food
- Pouting, makeup, filters or background removal tools
- School photos or images with hands covering the face
